I am SO excited to be working with you and your child next year in grade six. We are going to have a fabulous year! All of the items on the list are things that will be required throughout the school year. I highly recommend sharpening and labelling everything ahead of time to ensure your child's supplies remain with him/her.

Donations of the following items are not necessary, but would be greatly appreciated: plastic cutlery, sanitizing wipes, gently used or new classroom reading books, and board games.
