## About Me:

Hello! My name is Maegen Lynch and I am SO EXCITED to have you in our grade two class this year! This is my third-year teaching at Barrhead Elementary and my first-year teaching grade 2! This year will mark my sixth-year teaching!

I currently live in Stony Plain with my husband, daughter and two dogs! I love growing plants, being outdoors and creating art. I am a potter, and I love doing hands on (sometimes messy) art projects and lessons in all subject areas.

In our classroom you will experience many different seating choices, quiet spaces, lots of books, fidgets and different ways of learning! My goal is to create a welcoming and comfortable learning environment that suits the diverse learning and developmental needs of the young people entering, and growing in, grade two!

I would love to connect with you and hear about your child! Please send me an email and tell me anything you would like me to know about your child.

I look forward to learning with you this year!

Ms. Lynch
