Hello! My name is Rhonda Stoik and I am really excited about having you in our grade two class and getting to know you this year! This is my third-year teaching at Barrhead Elementary!

I live here in Barrhead with my husband, two sons and our cat Cedar! I love travelling, running, hiking, skiing, being outdoors and reading!

The last two years I have taught grade 4 here at BES however this is my first year teaching grade 2. We moved from BC about 2 years ago where I also taught various grades from Kindergarten to grade 7. I am really looking forward to helping your children learn and grow this year and I am looking forward to learning right along with them!
